Bid Check report: Harbourline draft proposal

Prepared for	Harbourline Services LLC (fictional demo)
Proposal	Harbourline draft proposal
Solicitation	Facilities maintenance services (sample RFP)
Prepared	18 October 2026, 06:16 UTC

Not ready: 4 claims to fix before you submit

4 of 9 checkable claims are not backed by your own records. Fix the items below, then run the check again or confirm each fix by hand.

Requirement coverage: 3 of 6 answered; 3 need attention (see Requirement coverage).

1 format limit may be exceeded (see Format checks).

Contradicted: **2** | Unsupported: **1** | Expired evidence: **1** | Needs a person to confirm: **1** | Supported: **4**

Fix these before you submit

1 Contradicted

“In 2023 we delivered a $1.8 million stormwater upgrade for Riverside Transit Authority.”

The proposal says '$1.8 million', but your record CTR-02 (Stormwater upgrade) shows: Riverside Transit Authority; 2023-06-12 to 2024-05-30; value $1,180,000.

To fix: Correct the figure in the proposal, or the record if the record is wrong.

2 Contradicted

“Approximately 35% of subcontracted work will go to small businesses, drawing on 14 local suppliers, and we commit to creating 6 new apprenticeships.”

The proposal says '6 new apprenticeships', but your record COMMIT-01 (Small business subcontracting commitment) shows: small business subcontract share 35%; local suppliers 14; new apprenticeships committed 4.

To fix: Correct the figure in the proposal, or the record if the record is wrong.

3 Unsupported

“We also completed a $2.6 million resurfacing program for Lakeside City in 2024.”

Record CTR-01 matches part of this sentence, but nothing in your evidence supports '$2.6 million', 'Lakeside City'.

To fix: Add the record that proves it to your evidence sheet, or remove or soften the claim.

4 **Expired evidence**

“We also hold current ISO 14001 environmental management certification.”

ISO 14001: certificate CERT-03 expired on 2025-08-31.

To fix: Renew the certificate, or remove the word 'current' and the claim.

Confirm these yourself

Opinions and superlatives that no record can prove. An evaluator may ask for evidence.

Needs a person to confirm

“We are the leading facilities maintenance contractor in the region.”

To do: Keep it only if you can show an evaluator evidence for it; otherwise cut or soften it.

Format checks

Your draft measured against the limits the solicitation states. Limits often apply to one volume, and some solicitations exempt covers, tables or résumés: confirm against the instructions.

Each requirement found in the solicitation, and where your proposal answers it. “Check manually” means the automated reading was not certain, so a person should look.
